

MCDANNELL FRUIT FARM MARKET

APPLE VARIETIES

AND HARVEST INFORMATION

<u>KIND OF FRUIT</u>	<u>VARIETIES</u>	<u>AVERAGE DATE AVAILABLE</u>	<u>DESCRIPTION</u>	<u>BEST USES</u> <small>* See key below</small>
Apples - Early Season	Gala	24-Jul	Medium sized conical to rounded shape. Red orange striped over gold background. Sweet, crisp yellow flesh. Very unique flavor. One of the most popular apples for eating.	F,SD
Available End July	Summer Rambo	1-Aug	Large oblate flat apple. Fruit is a green yellowish color often with pinkish red stripes. Flesh is a bit softer than most others.	P,S
	Honeycrisp	1-Aug	Large orange red with a yellow background. Crisp, juicy, sweet with a rich flavor. Very popular among consumers as a #1 fresh apple. Supplies limited.	F,SD,S
	Ginger Gold	8-Aug	A large yellow apple sometimes with a pink blush. Shape similar to Delicious. Highest quality early season dessert apple.	F,SD,P,S,B
	Golden Supreme	3-Sep	Golden Delicious type apple. Skin tends not to russet as much as regular Golden. Ripens almost 3 weeks ahead of Golden. Good for all uses. Keeps well.	F,SD,P,S,B
	McIntosh	5-Sep	Medium large with bright red blush over greenish yellow skin. White crisp flesh. Slightly tart. Juicy & aromatic.	F,SD,P,S,B
	Fuji	10-Sep	Large with reddish blush color. Creamy white flesh with the typical very sweet, crisp, firm, juicy taste. 5 - 6 weeks ahead of regular Fuji. Same great qualities as regular Fuji.	F,SD,P,S,B
	Cortland	12-Sep	Large round, red with almost a bluish tint. Pure white flesh, with mild flavor. Very slow to brown. Crisp texture & slightly tart.	F,SD,P,S,B
	Jonathan	12-Sep	Medium sized, red faintly striped over a yellow cream background. Tart, crisp & juicy. Good for eating. Very good for candied or caramel apples & sauce.	F,S
Apples - Mid-Season	Idared	18-Sep	Medium to large flat topped red over yellow base. White flesh is crisp, mildly tart, & juicy. Good for all uses. Excels as a baking apple.	F,SD,P,S,B
	Jonagold	20-Sep	A large yellow apple with varying degrees of red stripes. Can be totally red. Blend of tart Jonathan & sweet Golden. Crisp & juicy.	F,SD,P,S,B
	Red Delicious	20-Sep	Totally red apple tapered toward the blossom end with 5 points. Very sweet for eating & desserts. Once the most popular eating apple known for its sweet flavor. New varieties are lessening its popularity.	F,SD
	Golden Delicious	24-Sep	Yellow medium large conical shaped. Sweet with a slightly tart & mellow, crisp & juicy. A standard variety good for all uses.	F,SD,P,S,B
	CrimsonCrisp	24-Sep	Deep red in color. Sweet with a slightly tart & mellow, crisp & juicy. A standard variety good for all uses.	F,SD,P,S,B
	Empire	24-Sep	Very pretty bright - dark red color. Flesh is white, crisp, & juicy sweet with a slight McIntosh taste. An excellent eating & salad apple	F,SD,P,S,B
Apples - Late Season	Red Rome	1-Oct	Solid red large nicely shaped. Slightly tart, firm & juicy. Popular for cooking, excellent baking apple.	P,S,B
	Staymen / Winesap	1-Oct	Dark red medium to large, moderately tart. Flesh very crisp, firm & white. Good for all uses. Keeps well especially when refrigerated.	F,SD,P,S,B
	Red York	5-Oct	Red medium to large slightly oblong apple. Very solid, excellent processing/cooking. Keeps well especially when refrigerated.	F,SD,P,S,B
	Granny Smith	5-Oct	Dark green sometimes with a pink cheek. Late apple, very tart, crisp & juicy. Excellent for cooking.	F,SD,P,S,B
	Nittany	5-Oct	P.S.U. York type processing. Orange-red with yellow background color. Refrigerated, can be kept for up to 6 months. Pies & sauce.	F,SD,P,S,B
	Crispin / Mutsu	5-Oct	Very large, green, flavorful dessert & processing quality apple. Cooks superbly and is one of a small number of varieties which really is dual purpose.	F,SD,P,S,B
	Cameo	9-Oct	Shape similar to Delicious, bright red stripe over creamy background. Firm, crisp & highly a highly appealing subacid sweet-tart flavor. Resists browning.	F,SD,P,S,B
	EverCrisp	9-Oct	Large, very firm with prominent red stripe over yellow background. Very sweet & juicy. Keeps exceptionally well, especially refrigerated. Hybrid of a HoneyCrisp and Fuji.	F,SD,P,S,B
	Pink Lady	1-Nov	Red with yellow background, crisp sweet tart flavor, long storage life. One of the last apples to be harvested. Flavor increases in cold storage.	F,SD,B
